Dear Adopters, Friends and Supporters,

Free to Be Me Rescue ("FTBMR") has saved over five hundred dogs and cats since its inception in 2014. From the beginning, the rescue's mission has been to never say "no" to an animal in need. FTBMR has taken on the troubling rise of animal abuse, neglect and cruelty by partnering with shelters to help animals that require veterinary or behavioral attention, joining animal control officers to rescue animals injured or abandoned and taking in owner surrendered animals. With the determination, energy and compassion of our supporters and the resources necessary to confront suffering and need, we can provide these animals with the extraordinary care they deserve to begin their journey to healing and happiness. The majority of the animals taken into FTBMR need full vetting, i.e. shots, spay/neuter and a dental. Approximately 25% of these rescued animals need additional major veterinary surgical care, including procedures such as full mouth dental extractions, mammary mass removal, and orthopedic surgery. All FTBMR dogs and cats receive veterinary and behavioral rehabilitation. On rare occasions when it is determined that an animal's serious illness or injury warrants extraordinary care, FTBMR retains animals in the rescue to be surrounded by loving volunteers, forever foster parents, and to be provided with the best veterinary care.

To help continue its mission, FTBMR is doing another calendar fundraiser! The rescue's 2019 calendar will be filled with your photos of rescued dogs and cats. Each person that purchases a calendar for \$15.00 is guaranteed that at least one photo of their pet will appear in the calendar. We ask that you send up to three of your favorite photo(s) of your pet via email to [FTBMRpictures@gmail.com](mailto:FTBMRpictures@gmail.com) in jpeg form. Please remember to put your full name in the email. All photos and calendar orders must be submitted by **November 10, 2018**.

Also, we are holding a raffle for the cover photo. Raffles tickets are 1 for \$10.00 or 2 for \$15.00. The lucky winner will receive a personal pet photo session with photographer Jenn Moak scheduled for the evening of **November 8, 2018**. All three Healthy Pet Center locations will be selling the raffle tickets or you can mail back the attached form by **November 4, 2018** and we will complete the tickets for you. The winner will be picked on November 4, 2018 at 5:00pm.

All orders for calendars and raffle tickets can be completed and purchased on our website through paypal: [Freetobemerescue.org](http://Freetobemerescue.org). Please remember to include the details of your order in the comment box. All calendars will be available before Christmas and will make great holiday gifts.

Please complete the attached form and either mail it back along with payment to FTBMR 154 Delaware Avenue Delmar, NY 12054 or drop it off at Healthy Pet Center, same location.

Thank you for your continued support and giving animals a second chance at life.

With gratitude,

Lisa Neal and Lisa Caporizzo
